Fulbright US Student Program Overview

Program Goal

“*Our mission is to foster mutual understanding between nations, advance knowledge across communities, and improve lives around the world.*”

History and Administration

- Created in 1946 by Congress
- Sponsored by the US Department of State’s Bureau of Educational and Cultural Affairs
- US Student Program administered in the US by the Institute of International Education (IIE)
- Administered overseas by bi-national Fulbright Commissions and US Embassies
Fulbright US Student Program Locations

- Over 2,200 grants available annually
- Over 140 countries
  - Administratively divided into these six color-coded world areas, each represented by a regional desk at IIE

1. Western Hemisphere
2. Middle East & North Africa
3. South & Central Asia
4. Sub-Saharan Africa
5. East Asia-Pacific
6. Europe & Eurasia
MSU and Fulbright

MSU has a long and successful history with Fulbright

• Over 200 Spartans have won IIE student awards to 74 countries – from Argentina to Zambia – since 1949
• Over 460 faculty scholars have had grants to 90 countries – from Afghanistan to Zimbabwe – since 1950

Other Fulbright-adjacent programs at MSU include

• Fulbright student grantees from abroad
• Fulbright visiting scholars from abroad
• Humphrey Fellows program
• Fulbright Foreign Language Teaching Assistants
• Training programs for incoming international grad students, outbound Fulbrighters

- Personal qualifications
- Language preparation
- Preference factors as established by Foreign Fulbright Scholarship Board
- Extent to which the candidate and the project will help to advance the Fulbright Program goals
- Requirements of the program in individual countries
- Desirability of achieving wide institutional and geographic distribution
Making Yourself More Competitive

• It’s about more than your GPA
  • Experiences
  • Leadership
  • Flexibility

• Fulbright is **not** a gap year program
  • Needs to be a logical step in your trajectory

• Use the next few months wisely
  • Connect with student organizations or other groups related to your host country
  • Continue strengthening your language skills
  • **For ETA applicants:** gain teaching experience, look into education training
  • **For research applicants:** think of ways research for current classes could serve as a foundation for future study, gain experience in independent research
  • **For open study applicants:** look closely at schools, programs, and requirements for admission
Application Timeline

- **Winter into Spring**: Research grant type, select country, competition opens in late March
- **Summer**: Prepare application, meet interim MSU deadlines
- **September**: MSU application deadline, campus committee interview
- **October**: National application deadline
- **November-December**: US review, National Screening Committees
- **January-May**: Semifinalist notifications (January), host country review for semifinalists
- **March-June**: Final selection and notification
Resources Available at MSU
