

## Pre-Exit Checklist Checklist

Think you're done with your Peace Corps Prep program requirements? Fabulous! Double check by gathering everything on this list and then make an appointment to see the Program Coordinator to complete and sign your Exit Checklist.

### Verify Competency 1: Work Sector Experience

- **MSU Transcript**
  - **Bring a hard copy or email Joy a PDF of your transcript** before our meeting. An unofficial transcript is fine!
  - This is used for the official record of your required three courses related to your work sector. Joy will need to verify and record the course numbers, full course names, semester taken, and final grade.
- **Work Sector Hours Verification Form**
  - **Bring a hard copy of this form, completed and signed** by you.
  - You may have one, two, or three experiences as long as the total hours add up to at least 50 hours.

### Verify Competency 2: Foreign Language Skills

- **MSU Transcript**
  - Joy can use your transcript copy to verify your foreign language class(es) and level(s)
- **Other Documentation**
  - If you a) need to complete Competency 2 because you plan to apply to a French- or Spanish-speaking country and b) hope to validate your language skills in another way, bring other documentation. This might be a document showing transfer credit, an OPI or other language test, an email showing that your placement test score on an MSU language placement test was high enough that you tested out of level 100 or 200, etc. Ask Joy if you have questions about what documentation is allowed.

## Verify Competency 3: Intercultural Competence

- **MSU Transcript**
  - Joy can use your transcript copy to verify that you have taken at least one core course and two elective courses for this requirement.
- **Other Documentation**
  - If you plan to use an experience (e.g., anything but a class, such as an education abroad experience or volunteer stint overseas) in place of one or both electives, be prepared to discuss the experience and demonstrate how it impacted your intercultural competence.

## Verify Competency 4: Professional & Leadership Development

- **Peace Corps Prep Résumé Review Verification Form**
  - **Bring a hard copy of this form, completed and signed** by the person who conducted the review.
- **Peace Corps Prep Interview Preparation Verification Form**
  - **Bring a hard copy of this form, completed and signed** (if applicable) by the person who led the interview prep session you attended and by the person who conducted your mock interview.
- **Leadership Experience Form**
  - **Complete this short form online** and submit it prior to your exit meeting. Joy will be able to review it before your meeting and can ask any necessary follow-up questions.

## Need a Form?

- All of the forms and links mentioned above are available by visiting the [PC Prep Documents website](#) or by using this QR code.
- Joy can provide hard copies of these forms if needed (we know not everyone has easy access to a printer).
- The Peace Corps Recruitment Office also has copies available of the forms they most often sign, the résumé and interview documents.
